

Fireworks Restrictions and Open Fire Restrictions

Updated - Monday - June 27, 2011

Monday - June 20, 2011

The Park City Fire Service District (PCFSD) has issued geographical **bans on the discharge of fireworks and open fires** for the following portions of the PCFSD boundaries effective June 21, 2011:

- All canyon and trail areas.
- Aerie's Subdivision.
- Bear Hollow Subdivision.
- Canyons Resort.
- Deer Valley Area.
- Glenwild Subdivision.
- Jeremy Ranch Subdivision.
- Moose Hollow Area.
- Park City Mountain Resort.
- Pinebrook Subdivision.
- Preserve.
- Red Hawk.
- Round Valley Area.
- Silver Creek Area.
- **Stage Coach Estates.**
- Summit Park Area.
- Sun Peak Area.
- Thaynes Canyon.
- Timberline Subdivision.
- West side of Old Town.
- Any areas that contain dry grass or that may lead to the quick spread of fire.

ADDITIONAL FIREWORKS INFORMATION:

- No firecrackers, M-80s, cherry bombs, bottle rockets, Roman candles, single or reloadable mortars and ground salutes are strictly prohibited.
- **Aerial / Cake Fireworks:** Horizontal clearance requirements of 210-feet in all directions from base of device, extending 230-feet unimpeded vertical/overhead clearance, with device being placed on a hard flat non-combustibles surface and a minimum of 150-feet distance between launch site and spectators/audience.
- Fireworks may only be discharged from June 26th through July 26th **in approved areas.**
- You must be at least 16 years old to purchase fireworks.
- Parents are strongly encouraged to supervise their children while using fireworks.
- Please keep a bucket of water nearby to place spent fireworks in for at least twelve hours before discarding into a garbage can.
- It is strongly encouraged that smoking materials only be used within the confines of a vehicle within any urban wildland interface area and all waste from the ignition or smoking of said products be disposed of in a safe and appropriate manner.
- Summit County ordinances allow for the cost recovery of any expenses associated with the extinguishing of a fire caused by the negligent use of fireworks, fires, and /or the improper extinguishment of cigarettes or other smoking materials.
